

**NVR-3090**

◆ Key Features

- └ Support 8 Megapixel IP Camera for each channel
- └ Support RAID 0/1/5 (optional)
- └ Support up to 10TB for each internal HDD x3
- └ VGA& HDMI dual output
- └ Dual Ethernet(Dual Ethernet mode, Bridge mode, Balance mode, Backup mode)
- └ Advance Smart search
- └ External backup to FTP/Samba/Google drive/Dropbox
- └ Support iPhone / iPad / Android phone / CMS

◆ Dimension

## 9 Ch Dual Ethernet NVR

◆ Technical Specifications

Model	NVR-3090		
System	Operating System	Embedded Linux	
	Ethernet	RJ-45, 10/100/1000 Mbps x2	
	Video Output	HDMI x1 : up to 4K2K VGA x1 : up to 1080	
	USB	USB2.0 x3	
	Alarm	2 Alarm in / 1 Relay out	
	Power Input	AC100~240V	
Video and Audio	Input	9 channels	
	Split screen display	1, 4, 9	
	Camera streaming	Main streaming & Sub streaming	
	Decompression	H.265 / H.264	
	Resolution support	Up to 4K2K	
	Video input Protocol	Auto, HUNT, Onvif, Video Server, other 35 private Vendors	
	Audio	3.5 Ø stereo jack, audio in x1, audio out x1	
	Throughput	76 Mbps	
	Storage	Internal HDD Support	1. Internal SATA HDD x3 with RAID 0/1/5 (optional) 2. Internal SATA HDD x2 + E-SATA x1(optional) w/o RAID
		Recording mode	Manual / Schedule / Alarm trigger /Event / Motion / Overwrite
External Backup Device		USB Storage, Samba, FTP, Google drive, Dropbox, Remote download	
Network	IP Setup	Static/ DHCP/ PPPoE/DDNS	
	Remote Browse	Windows IE 11 or above	
Power consumption	4.32W(without HDD)		
Operating Temperature	-10°~55°C		
Humidity	0~80% RH (non-condensing)		
Dimension (W x H x D)	360 x 44 x 301 mm		
Weight	2 KG (Non HDD)
